#### **TULIP GARDEN TRIBUTES**

The Blooming Pink Celebration garden at MidState is not only an inspiration but a symbol representing survivorship. This hillside of pink tulips planted to honor, celebrate and memorialize those touched by cancer is a daily and visible reminder to all. Each tulip represents those we love, some we have lost and others we celebrate during these outdoor days as spring arrives.

The gifts below were made between October 1, 2011 and December 30, 2012 and support this garden by bringing awareness and also by helping MidState continue to comfort and meet the needs of patients and families coping with the diagnosis of cancer.

**COMMUNITY EVENTS**

MidState Medical Center is honored to be named as the beneficiary of many fundraising events throughout the year held by individuals, companies or organizations from the community. Below are some extraordinary examples of the generous donations we have received in support of the Cancer Center at MidState. Together in 2012, these groups have raised over \$109,000. One-hundred percent of the funds received by the hospital are used to care for and support our patients and their families in their time of need.

For information about hosting an event for MidState Medical Center, please contact the Development Office at (203) 694-8742 or [development@midstatemedical.org](mailto:development@midstatemedical.org).

The Village at Kensington Place contributed proceeds from their **Annual Wreath Stroll** Silent Auction.

At O.H. Platt High School Girls' Volleyball Team Annual **"Pink Game."** The team raised funds by selling baked goods and breast cancer awareness items, holding a basket drawing and collecting outright contributions.

O.H. Platt and F.T. Maloney High School Girls' Soccer teams contributed proceeds from a **50/50 drawing**.

**After the Storm, Inc.** made generous contribution to support integrative therapies.

**Elle Salon, Cheshire**, gave a gift from a night of beauty and health education.

The Lane Construction Corporation, Cheshire, matched the company's donation from their **"Jeans for Charity"** employee fund.

Wallingford Firefighters (Local 1326) donated proceeds from a **90-mile motorcycle Poker Run** through scenic Connecticut.

Christine Willett (center) from After the Storm, Inc.

**Washington Middle School Girls' Volleyball Team** contributed funds raised from concession stand sales.

Proceeds from their events such as the golf tournaments, galas and basket drawings allow the MidState Auxiliary to make significant contributions to MidState. Their latest gift supported the creation of the **Auxiliary Cancer Boutique**.
